Detail Hoodie page [1]

To navigate to this page, user can click on the 'User' menu bar on top of the tab.

The user will be able to see the list of the hoodie available, which is retrieved from the database, in the list form.

A screenshot of a web browser window titled "hO-Ohdie". The page has a light gray background. At the top, there is a navigation bar with "Account" and "User" links. Below the navigation bar, the title "hO-Ohdie" is displayed in a bold, black serif font. On the left, there is a list of hoodie items with their IDs and names: HO001 Black Hoodie, HO002 Blue Hoodie, HO003 Red Hoodie, HO004 Green Hoodie, HO005 Yellow Hoodie, HO006 Purple Hoodie, HO007 Orange Hoodie, HO008 Pink Hoodie, HO009 Gray Hoodie, and HO010 White Hoodie. On the right, the title "Hoodie's Detail" is displayed in a bold, black serif font. Below the title, there is a section for "Hoodie ID: HO001", "Name: Black Hoodie", "Price: \$29.99", and "Quantity:". There is a dropdown menu for "Quantity" with the value "1" selected. To the right of the dropdown, the text "Total Price: \$29.99" is displayed. At the bottom right, there is a blue "Add to Cart" button.

Detail Hoodie page [2]

The user may choose whichever hoodie they'd like to add to the cart.

Once chosen, the detailed information of the hoodie shows, including the quantity of the hoodie that the user would like to add to the cart.

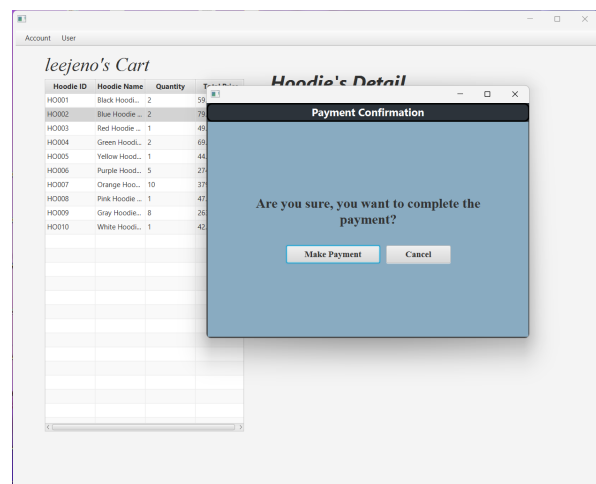

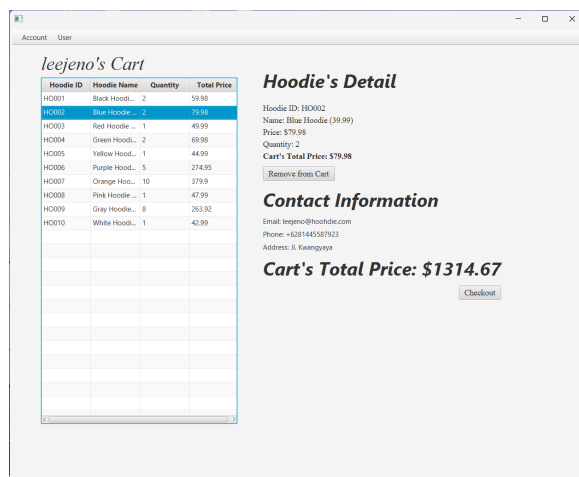

- The total price increases as the quantity increases.

Detail Hoodie page [3]

Once the hoodie is added,

The program will direct the user to the cart page automatically.

Cart

Cart page [1]

To navigate to this page, user can click on the 'User' menu bar on top of the tab.

The user will be able to see the list of the hoodie in the cart that has been added by the user in the table view form.

Cart page [2]

If the user choose and click one of the hoodies, the detailed information appear.

The information provided includes the quantity of hoodies, the subtotal for each hoodie, and the total cost based on the quantity added.

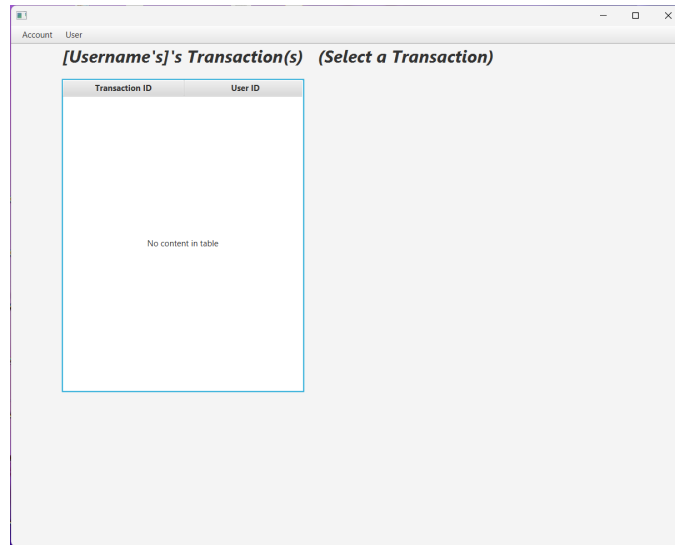

Cart page [3]

Then, the user will need to click on the 'Checkout' button to proceed with the payment.

A pop up notification will appear to ask for the confirmation of the user.

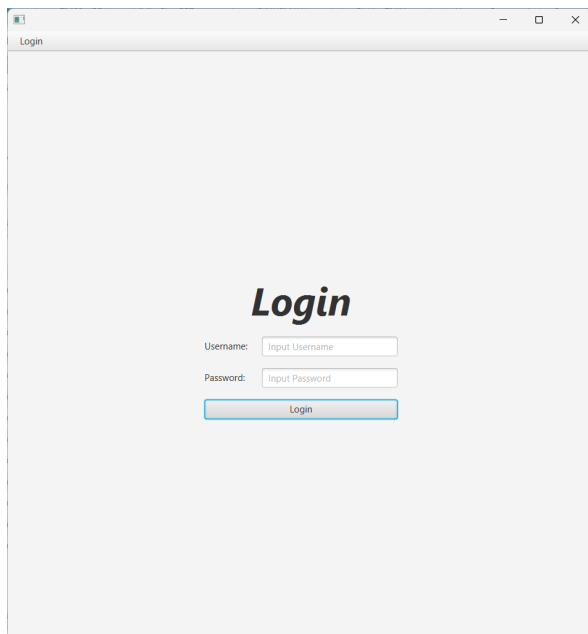

- If the user clicked on the 'Make Payment' button, then the user will successfully buy the selected hoodies.
- If the user clicked on the 'Cancel' button, then the payment will not be processed.
